

Middle School Math  
(6.2, 6.3, 6.10, 6.13, 7.2, 8.2, 8.7)

Find two groups of natural items such as a scattering of acorns, a pile of leaves, etc.

Estimate the number. \_\_\_\_\_ , \_\_\_\_\_

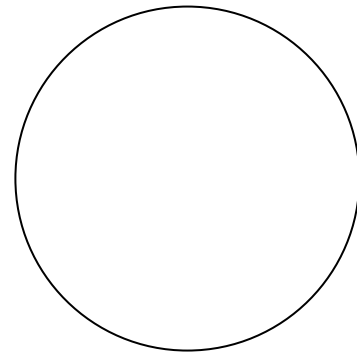

Count them. \_\_\_\_\_ , \_\_\_\_\_

Draw a scatter plot of your findings.

Gather some leaves.  
Sort them by color.  
Use a fraction to create a ratio.

	Color	Color	Color	Color
# Leaves				

Make a circle chart (pie chart) with your data.  
What conjecture can you make?

Sketch a 3-dimensional figure (8.7)
