Point of contact for payment of officer: _____

I have read, understand and agree to the Botanic Research Institute of Texas alcohol service policies. I acknowledge that a uniformed Fort Worth Police Officer will be present during the contracted rental period. The officer on duty is hired at a minimum of four (4) hours at \$65 per, per officer, depending on the number of guests. (See rules and regulations regarding alcohol service breakdown.) We will appoint a point of contact for the officer and the officer assigned to our event will be paid by check, on site, prior to the beginning of the event. The bartender(s) providing alcohol service will be TABC certified and will provide a copy of both the TABC certification as well as their driver's license to the officer PRIOR to the beginning of the event or the opening of the bar(s).
